## **2018 Missouri Developmental Disabilities Awareness Month Poster and Bookmark Contest**

March is Developmental Disabilities Awareness Month. Every year a group of Missouri organizations (Missouri Association of County Developmental Disability Services, The Arc of Missouri, and People First of Missouri) along with the Missouri Developmental Disabilities Council produce a poster & bookmark celebrating inclusion of people with developmental disabilities in everyday life that will be displayed by schools, libraries, and other community organizations throughout the state. This group is hosting a contest for an original design for the 2018 poster and bookmark. A prize of \$500 will be awarded to the artist whose design has been chosen. The deadline for submission is November 22, 2017.
